

# WINTER BREAK IXL SKILL PROJECT

---

*so you don't get bored at home!*

*Step 1:* Go to IXL.com

username: \_\_\_\_\_@eastbrunswick\_\_\_\_\_ password: \_\_\_\_\_ebtech\_\_\_\_\_

*Step 2:* Practice the Algebra 1 skills below:

IXL Section	What is it about?	Skill #	ISN page #
Z.4	Add and subtract polynomials	25	
Z.6	Multiply a monomial by a polynomial	26	
Z.8	Multiply polynomials	27	
AA.2	Factor the GCF from a polynomial	28	

*Step 3:* For any topics you are stuck on, try the following things:

- Try reading the IXL explanations when you get something wrong.
- Look in your ISN.
- Go to [rubinmath.weebly.com](http://rubinmath.weebly.com), click on your class, and go to the **Extra Help** site. Watch the videos there.
- Use google or youtube to search for more help videos/explanations.
- Ask a friend for help.

*Requirement:* Get at least a 50 in each of the sections

*Bonus:* Get quiz points for the any the ribbons you receive!

1 ribbon = 65

2 ribbons = 75

3 ribbons = 85

Medal = 95
