

WINTER BREAK IXL SKILL PROJECT: GEOMETRY

so you don't get bored at home!

Step 1: Go to IXL.com

username: _____@eastbrunswick_____ password: _____ebtech_____

Step 2: Practice the skills below:

IXL Section	What is it about?	Skill #	ISN page #
K.5	Identify congruent triangles	1	28
L.15	Describe a dilation	4	34
L.13 L.14	Perform a dilation	5	34
P.4 P.10	Describe similar figures	7	32
P.1	Determine if two figures are similar	8	32

Step 3: For any topics you are stuck on, try the following things:

- Try reading the IXL explanations when you get something wrong.
- Look in your ISN.
- Go to rubinmath.weebly.com, click on your class, and go to the **Extra Help** site. Watch the videos there.
- Use google or youtube to search for more help videos/explanations.
- Ask a friend for help.

Requirement: Get at least a 50 in each of the sections.

Bonus: Get quiz points for the any the ribbons you receive!

1 ribbon = 65

2 ribbons = 75

3 ribbons = 85

Medal = 95
